Dear Jennifer and Richard,

Attached are a) the slides from today's briefing, and b) the agenda from the IRIS Formaldehyde workshop in 2014. The agenda provides a good outlook on the sessions, discussion questions, and who led them. In addition, Barbara/Andrew/Tom will provide some 'thinking' points to you for your ACC meeting in January.

Please let us know if you need anything else.

Tina

Subject: Material requested by IOAA

Hi Tina,

Attached are the slides from today's presentation. Jennifer expressed an interest in the first 10 slides, but we thought if she had all of the slides, then she could use them as she wished. Do you think she wanted them in a different format?

Also attached is the agenda from the 2014 workshop on formaldehyde organized by NCEA. It contained the chairs, speakers, discussants and discussion questions for each session.

Next week we will be able to send you some bullets pertaining to some comments from stakeholders and how the assessment discusses the issues.

Regards, Barbara and Andrew
